Staff Report

Item #
__5D__

To: Lemoore City Council
From: Kimberly Morrell, Chief of Police
Date: March 28, 2006
Subject: Budget Amendment-Asset Replacement for
Patrol Unit #77

DISCUSSION:

Unfortunately, on March 18th, during a vehicle pursuit, unit #77, which is a 2003 Ford Crown Victoria (marked patrol unit), was involved in an accident with a parked vehicle at Bush and 19th Ave. The patrol unit was severely damaged. Unit #77 is insured through the Central San Joaquin Risk Management Association (RMA) and we will receive funds to aid in its replacement.

Most of the equipment inside the unit can be moved from unit #77 and placed into the new unit. Some of the external equipment was damaged in the accident.

BUDGET IMPACT:

The Asset Replacement Fund (General Fund) would be utilized for the replacement of a Ford Crown Victoria Police Interceptor.

Police Interceptor Unit	\$26,086.00
Graphics applied to unit	\$ 800.00
Cage Adapter	\$ 165.00
Siren and Strobe Lights	\$ 500.00
Push Bumper	\$ 235.00

TOTAL **\$27,786.00**

Any funds received from the RMA will be deposited back into the Asset replacement account.

RECOMMENDATION:

It is recommended that the Council, by motion, approve the above described budget amendment and direct staff to have the Patrol Unit replaced.
