**Subject:** Completion of Volunteen 150 hours for 2006 Summer Day Camp Program

---

The following students have completed their 150 Volunteer hours in the 2006 Summer Day Camp Program. They have had an awesome time and each student has contributed more time than we have given money. Without this Volunteer program our day campers would not benefit as well, because each of these student has to have a heart of service to do this type of work. Each year since this program began, I am thankful for the amount of talent Lemoore has in its youth and hope we continue to build them for tomorrow.
