Item # 5D

To: Lemoore City Council
From: JP Prichard, Administrative Analyst
Date: April 12, 2007
Subject: Bid Authorization – In-pavement Crosswalk
Lights Project

STAFF REPORT

Background:

Effective March 15, 2007, the California Department of Transportation has allocated funds from the Safe Route to School Program for the City of Lemoore In-pavement Crosswalk Lights project. This project is to install self-actuated, solar-powered, in-ground flashing crosswalk lights at three locations throughout the City. The three locations for the installation will be – 1) Intersection of Kenwood Drive and Cedar Avenue to service PW Engvall School, 2) Lemoore Avenue and Spruce Avenue to service Meadow Lane School, and 3) Lemoore Avenue and Skaggs Street to service Lemoore High School. Adjacent pedestrian right of way will be improved for ADA compliance as well.

Budget Impact:

The State will provide funding for this project up to \$81,427. Local matching fund requirements of \$9,048 would be met with Gas Tax funds.

Recommendation:

It is recommended that Council authorize staff to go out to bid with the In-pavement Crosswalk Lights project.
