Subject: Completion of 200 hours for 2007 Volunteen Program

The following students have completed their 200 hours for the 2007 Volunteen Program. Each Volunteens contribution of service to the Summer Day Camp Program is immeasurable. Without this Volunteen program our day campers would not benefit from the little extra's these students give day in and day out. I am thankful for the amount of talent Lemoore has in its youth and hope we continue to build them for tomorrow.
