Dear Lemoore City Council,

I am writing to request that Bevalaqua Park be developed. (Across from Mallard Ave and on Cedar). As I understand it, the developer building homes next to Bevalaqua Park will be giving the City of Lemoore funds to build a basketball court and benches for the North-East corner of the park. Can the City of Lemoore develop the rest of the park? I understand that if you put in grass then you have to maintain it and funds are scarce for that, but what if you put in a large play area with swings, play structure, etc. and have some grass around it?

When we bought our house in 2001, we were told that the park would be developed by 2003. It is now almost 2008 and a few trees have been planted around the park but nothing else has been done. We have been waiting patiently for this to be developed and I think now is the time!

Thank you for listening. If you need to contact me, I can be reached at 924-9247 or karlyntj@sbcglobal.net.

Sincerely,

Karlyn Gendreau
