Staff Report

ITEM NO. 6

To: Lemoore City Council
From: Chief Kim Morrell
Date: November 28, 2007
Subject: Supplemental Law Enforcement Services Fund Grant

Discussion:

The City of Lemoore will receive \$100,000 from SLESF Grant for 07-08. The Police Department and the other Law Enforcement Agencies in Kings County have formed a Committee to research software programs to replace the software we are currently using. The Committee has not yet made a recommendation to the Agencies. The Committee will be making a couple of site visits to confirm that the software is as good as the salesperson claims and the reliability of the company. At this time, the Committee has not selected a specific company and software we want to purchase but we have narrowed it down to a couple of companies. I do believe that our share of new software cost may exceed the SLESF grant, but it may pay for most of the purchasing and installation.

Recommendation:

This is a noticed public hearing. It is recommended that the public hearing be continued to the next regular meeting on December 18, 2007, at 7:30 p.m.
