 FROM: President Cherylee Wegman
 SUBJECT: Voting Delegate designation for SSJVD General Membership Meeting

Please remember to RSVP by Monday, February 12th to the City of Lemoore for those attending the General Membership Meeting on Wednesday, February 21st at West Hills College. Attached is the meeting notice and campus map. FYI-There is no parking permit or fee required to park on campus.

Voting Delegate Designation – Each city will need to designate one attendee as their voting delegate, who will cast the city's ballot related to the Division's appointment of a 'Large City' and 'Small City' representative on the San Joaquin Valley Unified Air Pollution Control District Governing Board (SJVAPCD).

Upon check-in at the meeting, the voting delegate will receive the city's ballot packet. When the SJVAPCD appointment item is addressed and after any additional nominations from the floor have been received, the voting delegate will cast the city's ballots, which will be retrieved and tallied.

Please designate your city's voting delegate with your RSVP.

Feel free to contact Kathy Krause or myself via email reply should you have any questions on this matter.

Thank you and hope to see you at the meeting.
