Staff Report

Item # 7

To: Lemoore City Council
From: David Wlaschin, Public Works Director
Date: June 15, 2007
Subject: Bid Award – 2007 Street Overlay Project

Background:

The bid opening for the 2007 Street Overlay Project was held on Wednesday, June 13. The project includes work on various streets (see attached map) and due to fluctuating oil/asphalt prices, the bids had several alternates so that we could stay within budget.

We received eight bids and due to the complexity and number of bids we were not able to complete tabulations and have a recommendation for Council before packets were ready to go out.

The bids look to be within budget and we will have the item ready for Council action on Tuesday.

Recommendation:

None at this time.
