

Community Cleanup Programs

	Pros	Cons	Cost	Manpower	Volunteers
Curbside Service	Convenient for residents, higher percentage of participation, waste is properly sorted	Manpower	\$70 per ton for rubbish, \$35 per ton for greenwaste, city staff salaries, cost to operate 2 garbage reloaders, 1 case loader, and 1 flatbed	1 operator, 3 truck drivers	Probation, Boot Camp
Centralized Dump Areas	Waste is monitored by staff at the dumpster so illegal items would not be accepted, less manpower needed, I.D. required to show proof of residency	Some residents may not have the means to transport what they need to dispose of, lower percentage of participation	A Local Recycling Co. = \$165 delivery fee (keep up to 2 weeks), \$80 per ton, \$165 each dump and return; Central Valley Roll-Off and Recycling = \$100 delivery fee, \$140 each dump and return, 1 day rental or \$3 per day; Tule Trash = \$0 delivery fee, \$0 rental fee, \$155 per dump, \$70 per ton; Waste Management = \$0 delivery fee, \$0 rental fee, approx. \$185 per dump, \$70 per ton	City staff	Probation, Boot Camp
Neighborhood Roll-Off Program	Convenient for residents by having the roll-off in their neighborhood, Residents/Volunteers could organize the clean up	No monitoring of bins, prohibited items being placed in bins i.e., e-waste, hazardous materials, tires, concrete waste, etc. leading to increased dump fees and city staff labor, Non Lemoore residents dumping in bins	*See above cost for Roll-Off's and dump fees	N/A	Churches, Boy Scouts, Residents, Probation, Boot Camp
Adopt-A-Block	Supplies are provided by the City so it's not costly for the residents, multiple neighbors could be responsible so it's not so much work for one person or family, no staff provided by the city.	Santa Barbara does a one year commitment by a resident on the block so it could be a lot of time and work required by just one person.	If we provided a dumpster, see above cost for Roll-Off's and dump fees, otherwise I would assume the garbage, etc. would go in the city provided cans	N/A	Residents
Beautification Awards	Recognizes the efforts of residents and businesses that improve the overall appearance of the community through the enhancement of their property. Residents/Business Owners may participate at their own cost and time.	Not likely to have a high percentage of participation.	Minimal; Possibly city staff judging the locations, the award could be cash, a plaque, a sign designating it the winner, etc.	Possibly city staff judging the locations.	N/A
