To: Lemoore City Council Study Session
From: John Tyler, Administrative Analyst Item #2
Date: May 7, 2007
Subject: San Joaquin Valley Power Authority Workshop

Discussion:

Members of the Kings River Conservation District, along with representatives from CitiGroup will be in attendance Tuesday evening to outline the Community Choice Aggregation project, as it has progressed so far. This is in an effort to bring all Council Members up to speed on the status of the project.

The California Public Utilities Commission recently approved the SJVPA's Implementation Plan to form the first CCA in the State of California, and we are very proud of this milestone.

Additionally, the Board of Directors of the San Joaquin Valley Power Authority on May 3rd voted unanimously to approve Resolution 07-05; adopting Program Agreement 1 (both attached) in its present form. Non-substantive changes could occur between now and the time you are asked to adopt it on June 5th. The City Attorney has been involved in meetings to discuss the creation of the document. While the City Attorney's office is still in the review process, we are confident that she will be able to offer you legal advise concerning Program Agreement 1 by the time you are asked to ratify on June 5, 2007.

Budget Impact:

None.

Recommendation:

That Council would participate in a clear discussion of the Community Choice Aggregation project and engage the representatives from KRCD and CitiGroup in answering any and all questions.
