Staff Report

Item # 3

To: Lemoore City Council
From: David Wlaschin, Public Works Director
Date: May 10, 2007
Subject: County Wide Recycling Efforts

Mike Adams with Kings Waste and Recycling Authority (KWRA) will provide information on County wide refuse and recycling as they relate to KWRA. Within the City of Lemoore, KWRA has provided recycling at school sites through the roll off bin service. Oil and E-waste drop off containers have also been placed at the City's Municipal Complex along with annual hazardous waste collection.

I will also provide Council with an update of our refuse history and the progress with our recycling programs.
