

2. The city chief of police shall post appropriate signs giving effect to this subsection where he determines that the making of right turns against a traffic signal "stop" indication would seriously interfere with the safe and orderly flow of traffic. (1975 Code §9-4.04)

C. Obedience To Turning Markers:

1. When authorized markers, buttons or other indications are placed within an intersection indicating the course to be traveled by vehicles turning thereat, no driver of a vehicle shall disobey the directions of such indications. (1975 Code §9-4.01)

2. Whenever authorized signs are erected indicating that no right or left or U-turn is permitted, no driver of a vehicle shall disobey the directions of any such sign. (1975 Code §9-4.03)

6-3-2: **SPEED LIMITS:** It is hereby determined that upon the basis of engineering and traffic investigation that the speed permitted by state law outside of business and residence districts as applicable on the following streets is greater than is reasonable or safe under the conditions found to exist upon such streets, and it is hereby declared that the prima facie speed limit shall be and is herein set forth on those streets or parts of streets herein designated when signs are erected giving notice thereof: (Ord. 9410, 9-20-1994)
