**STAFF REPORT**

**Item #** 6

**To:** Lemoore City Council  
**From:** Joseph Mendiola, Assistant Planner  
**Date:** August 5, 2008  
**Subject:** Community Development Block Grant (CDBG) Public Hearing – Annual Grantee Performance Reports (GPR) / Annual Program Income Reports for Fiscal Year 2007-2008

**Discussion:**

The City is required to submit reports annually to the State on the performance of open Community Development Block Grants (CDBG) and related local program income received and expended, in line with the City's adopted Program Income Reuse Plan.

The purpose of the public hearing is to give citizens an opportunity to comment on the activities conducted under the existing grants for the past fiscal year. Citizens in attendance are encouraged to ask questions and express their viewpoints regarding existing CDBG program annual report(s). General CDBG Program information is available in the Public Information Binder, located in the Planning Department.

The attached Program Income Report (PI) and Grant Performance Report (GPR) are for Business Expansion and Retention Revolving Loan Funds (RLF) and for Housing Rehab Revolving Loan Accounts (RLA).

Staff held public hearings in the month of March and filed the final and closeout reports, applicable to the grant #05-STBG-1514 for the Magic Castle / Generations project. Therefore, no additional reports are needed to be filed for this grant.

**Budget Impact:**

None.

**Recommendation:**

That public testimony be taken, reports be reviewed and that the sign-in-sheet be signed by all present at the meeting. Following the public hearing, Council, by motion, accept the Annual GPR(s), and PI reports and authorizes the City Manager to sign and forward them to the State of California Housing and Community Development Department.
