RE: ADA committee appointment

---

I would like to express my interest in joining the City of Lemoore ADA committee. I have been a Police Officer with the City of Lemoore for 3 years. Prior to accepting that position I spent 4 years in the United States Marine Corps as an infantry soldier. During my military enlistment I achieved the rank of Corporal and completed 2 combat tours in Iraq.

I feel that I would be a great asset to the citizens of Lemoore as a member of this committee. As an Officer here in Lemoore I have established many personal relations with members of our civilian community as well as those who work for our city departments.

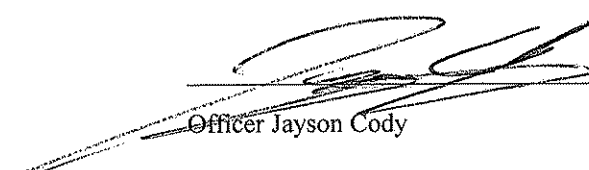

This city also has a significant military population of aging and disabled veterans. I feel as a disabled veteran myself. I believe I would be key voice in assuring their ADA issues are met.

As a Lemoore Police Officer I am frequently interacting with members of our community. In the past 3 years I have been confronted multiple times by disabled citizens with questions about why they can't access certain city areas or even travel down certain streets. Most often I am asked, what, if anything is being done to fix their problems with the city. I feel that if appointed, I would be at a greater advantage in not only answering their questions but receiving further input about our community's needs that may not be being addressed.

I feel that I would be a great asset in serving as a member on this committee and I look forward to your decision.

I can be reached by phone at (559) 694-1315 or by mail at 251 Toomey St. Lemoore Ca. 93245.

Respectfully submitted,

Officer Jayson Cody
