

Lemoore Police Department

Memo

DATE: March 12, 2009

TO: Jeff Britz, City Manager
City Council

FROM: Kim Morrell, Chief of Police 

SUBJECT: 2009 California Police Chief's Association Annual Training Symposium

The 2009 Cal Chiefs' Conference provided an opportunity to work with peers to assess current issues in law enforcement and to discover and design new and innovative ideas and solutions in response to those issues.

I listened to keynote speakers such as Mark Speckman, Lt. Douglas Burig, Shelby Coffey III, and Police Psychologist Susan Saxe-Clifford, John J. Miller, Martin Mayer, Lt. Colonel Jon D. Kurtz, Richard, Kreisler, Michael Josephson, Joseph Grebmeier and Marcy O'Hara-Devereaux, address issues related to the administration of law enforcement agencies and the industry. I found challenging panels, great speakers and the latest in law enforcement technology.

Thank you.
