SS Item # 3

To: Lemoore Redevelopment Agency Board
From: Jeff Brittz, Executive Director
Date: February 13, 2009
Subject: Generations Day Care Operations

Discussion:

The Board will recall that the RDA, City, Kings Community Action Organization (KCAO), and Kings County Commission on Aging (KCCOA) partnered to bring the first intergenerational day care facility in the SJ Valley to Lemoore.

Generations, as it is known, is located on Blake Street, just south of Hanford-Armona Rd. This Helen Putnam Award winning project was completed in 2007 and began operations later that year. David Droker, Executive Director of KCAO will be attending the Study Session on Tuesday afternoon to discuss with the Board/Council the current programs offered at Generations, as well as participation levels for both child and adult (administered through KCCOA) day care programs.

If you have not been through the Generations Center before, please take a moment to visit it before Tuesday afternoon.

Budget Impact:

None.

Recommendation:

None, for discussion only.
