- ① remove the remainder of her personal things.
As I left the house officer Cody arrived. Because I trusted the police department, I left my son home alone in the house. As soon as I left, Cody knocked on the door. My son opened the door and told Cody that because his mom wasn't home Cody couldn't come in. Cody then placed his hand in the door frame knowing the door was closing. Because his hand was injured (on purpose) he chose to force entry into my home, taser an unarmed, uncombative minor who was home alone. He and Ambroz put him in handcuffs, drug him out to the police car and in front of dozens of witnesses began to laugh at him and make fun of him.
