Lemoore City Council
119 Fox Street
Lemoore, CA 93245

Dear Council Members:

At our May 21, 2009 Parks and Recreation Commission Meeting, we discussed the absence issue concerning Commissioner Frank Hernandez. Mr. Hernandez has missed four consecutive regular monthly meetings. We also have a vacancy due to the resignation of Commissioner Lori Rossiter. It is important to us to have all positions filled with active Commissioners in order to have a quorum when making decisions and recommendations to the City Council. We are asking the City Council to replace Commissioner Hernandez and honor the resignation of Commissioner Rossiter and fill the two vacancies immediately.

We thank you for your consideration in this matter and look forward to meeting the people you appoint to our Commission.

Sincerely,

Dear Lemoore Parks and Recreation Department,

I am writing this letter to let you know that I must resign from the Parks and Recreation Commission. I am expecting the arrival of a new baby in April. My husband is a member of the Lemoore Volunteer Fire Department. Their meetings are on Tuesdays and will conflict with the Parks and Recreation Committee meetings that are also on Tuesdays. I will need to be at home to take care of our baby. Thank you for all that you have done to make my time on the Recreation Committee very memorable. I wish the Commission and Parks Department the very best. I know that you all will do wonderful things.

Sincerely,

Lori Rossiter

Subj: Request for appointment

I am submitting my name as a prospect for appointment to the Planning Commission and the Parks and Recreation Committee of Lemoore.

I have been in Lemoore since 1972 and am quite interested in the long term growth of the city. I have a background in construction having been a contractor for many years and involved with an architect in San Francisco who was responsible for the design and presentation with public works projects.

As far as the recreation committee is involved, I believe I can bring something which at present is lacking in the way of programs for the seniors and disabled. That does not mean that there should be a reduction in the area of recreation projects for the younger members of the city which is in place now.

Very respectfully,

CITY OF LEMOORE
