CITY CLERK'S OFFICE

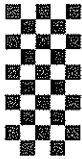

Dear Mr. Mayor,

My name is Tyler Davis and I would like to be considered for appointment to Lemoore's Downtown Architectural Design Review Committee. Having been a resident of Lemoore for fourteen years, I have come to appreciate the architecture and the history of our downtown area. Though I have never had any formal training, architecture has always been a passion of mine, and I have extensively studied architecture and architectural design in the United States. In 2006, I became a member of the Sarah A. Mooney Museum's Board of Trustees and am currently serving as Vice-President. This post has only helped me to better appreciate Lemoore's architecture and its connection to the people of Lemoore, past and present. Thank you for your consideration.

Sincerely,

Tyler Davis
