Mr. Larry Spikes
Kings County
1400 W. Lacey Boulevard
Hanford, CA 93230

Dear Larry,

Last November, the City of Lemoore informed Kings County of our intent to discontinue Dispatch Service in the near future, as we moved forward with our plan to migrate to SMART. The City of Lemoore has entered into an agreement with the City of Hanford for dispatch services, under SMART, which will commence once both the cities of Lemoore and Hanford are live with SMART.

Our anticipated go-live date is now approaching. We anticipate operating under SMART come late June, and discontinuing Dispatch Service with Kings County effective June 30, 2009.

This letter is intended to serve as our official notice under Item 5 of our Agreement, providing 60 days notice of cancellation of the agreement, prior to July 1. Should you have any questions, please contact me at your earliest convenience. Thank you again for your continued cooperation.

Sincerely,

Jeff Briltz
City Manager
