The current assignments are indicated above; in bold are the assignments held by former Council Member Hornsby. Also, indicated above are the interests expressed by Council Members; (P) is Principal and (A) is Alternate, if neither notation is made the member did not express which position. The Council should fill the seats made vacant by the election, and if there is a desire to change other assignments, make those changes as well.

The following appointments are made only by the County's City Selection Committee:

Kings County Local Agency Formation Commission
Kings County Water Commission
Remote Access Network Committee
San Joaquin Valley Air Quality Control Board Citizen Advisory Committee

The City Selection Committee is formed by the four mayors of the City's in the County. The next City Selection Committee is scheduled for March 2011.

Lemoore's Council is luckier than most as our members control their own schedules. When considering volunteering for service on a Board please take into account your interest and expertise along with your availability.

Unlike appointments to the Planning Commission, the Parks and Recreation Commission etc. these appointments are made by the Council discussing amongst themselves which Boards they would like to serve on. These appointments are made by a majority decision.

Budget Impact:

None.

Recommendation:

That the Council decide among themselves, in open session, fill the vacant positions and possibly change the current assignments.
