**To:** City Council Members  
**From:** Sgt. Johnston  
**Date:** November 24, 2010  
**Re:** Sexual Assault Training

---

On November 15th through November 19th, 2010, I attended the ICI Sexual Assault Course in Roseville, California.

The course was well organized and was taught by several experts in the fields of law, sexual predator classifications, investigative techniques, evidence and victim advocacy.

The information that was presented, while structured towards new investigators, was informative and will be useful in my current assignment.
