To Whom It May Concern:

FAMOUS Car Club held its first car show “HAUNTED 2009” at Lemoore Heritage Park on October 31, 2009. Thanks to the Parks and Recreation Department of Lemoore for allowing us to use Heritage Park, our first car show was a great success. FAMOUS Car Club is ready for the next challenge, this year’s second annual car show “Haunted II 2010” on October 30, 2010. We are planning to make it bigger and better than 2009. As a non-profit and family oriented organization, we want to have events that suit our youth of today and offer a positive alternative to drugs and alcohol. Our car club teaches youths what it is to be accountable for their own actions, respect for others and their properties, what it means to “work hard” and to show kindness to others in need and what they can do to help . Hosting a car show gives our youths and young adults the opportunities to use their skills and knowledge to create friendships with other car club enthusiasts, be part of a team, working hard to make an entertaining and successful car show and show others what it means to be a part of an organization.

Lemoore Heritage Park is the best location near our merchants and food services and an easy location to find. We want to use Heritage Park again this year and hopefully for many years to come. This car show will have a variety of different styles of cars and trucks from the original classics to the modern age of cars and trucks. We plan to get involved with the Lemoore Recreation Department to have games and entertainment for the children and youths. This car show is a family event where you and your children can enjoy the entertainment, eat great food and see all the work and patience put into the custom cars and trucks. There will be a local DJ playing a variety of music, there will be contests and games and a lot more. FAMOUS Car Club wants to make this car show the car show that you want to bring the family to. This is an open event to the public for all to enjoy.

As we are anticipating double the amount of participants and spectators from last year, we have to come together to make this car show a success. Last year we gained more knowledge of what we need to do this coming year to run smoothly and efficiently. This year we ask to have the frontage road in front of the park (from Opal Drive to the east end of the park) and the parking lot blocked off to prevent unnecessary confusion with the public. We want it blocked off from 4am to 6pm at the latest, depending on how many entrants we have. This will determine the time we need for judging and for the awards ceremony. We use this frontage road for registration and for vendors to park their vehicles and equipment after set up. There will be no alcohol allowed during this event and we will make sure everything is left how we found it. We also ask to have trash cans available to dispose of waste and trash.

The following is an outline for "Haunted II 2010":

- 4am to 5am – Set up for registration booth and sound
- 5am to 8am – Set up for vendors
- 6am to 10am – Car show entrants vehicle registration
- 8am to 4pm – DJ and live entertainment
- 9am to 3pm – Contests
- 4pm to 5pm – Awards Ceremony
- 5pm to 6pm – Clean up

"Haunted II 2010" will be a great success with your help and will keep growing to make it the ultimate Car Show. We appreciate everything that the City of Lemoore has done for the community and as an organization we want to do our part to be involved and make Lemoore a better place to live. A Community is a family of people who want to create a safe and fun environment for their children to live. We want to help people take pride in the City of Lemoore. We want this community to thrive and we want to help keep businesses open.

This year's event will help raise money for Valley Children's Hospital. Many children from Lemoore have utilized the services of Valley Children's. FAMOUS Car Club is proud to support this worthy cause. Last year's event was a great success and with your help, this year's show will be bigger and better. Thank you for your time and patience.

Sincerely,
