Re: Withdrawal of the Zone Change Application for APN 021-100-025

Dear Holly,

It has been brought to my attention through the research conducted by you and your staff that the Application for Zone Change, submitted by Butler Investment Group, LLC for APN 021-100-025 has been deemed unnecessary. As you are aware, sometime back in 1981, prior to the formation of your Lemoore City Planning Department, the parcel in question was formally zoned RM-2.0 and not R-1-7. This zone change was approved through the county planning department, Resolution No. 8105 but somehow the city zone map was incorrectly identified and remained in error all these years. In light of this discovery, I formally request that my Application for Zone Change submitted on October 8th, 2007 be withdrawn and furthermore, I request that all Application fees related to the Zone Change be refunded to Butler Investment Group, LLC. It is not the intent of Butler Investment Group, LLC to change any aspect of apartment project as it is currently proposed but rather expedite and correct an error that is longstanding and in doing so allow us, with your cooperation to move forward in the planning process. I thank you for your assistance in these matters and look forward to future correspondence.

If you require further assistance, please do not hesitate to contact me at my office either by email or telephone. Stephen@trbutler.com.

Sincerely,

PARTNER
