

SENIOR HOUSE PAINTING PROGRAM

- ◆ Have the exterior of your home painted free of charge.
- ◆ We will pay for the labor, paint and supplies.
- ◆ West Hills College will provide students to complete the painting.

If you are a homeowner over the age of 55 or are permanently disabled and live in a single-family home in Lemoore, then you may qualify for a grant to have the exterior of your home painted, including minor front yard repairs and debris removal. The Redevelopment Agency has partnered with West Hills College, Lemoore to provide students who will paint the homes as part of an employment and training program. The Redevelopment Agency will provide the funding for the program.

Assistance is available to persons below the income limits listed to the right. Annual Income is defined in 24 CFR, Part 5.

Staff will work with homeowners to determine eligibility. The grants will be issued by the Lemoore Redevelopment Agency to qualified households on a first come, first served basis until the funding is exhausted. Once funding is exhausted, your application will be placed on the waiting list for the next fiscal year.

Please take advantage of this wonderful opportunity to maintain your home and keep our community beautiful!

An Agreement will be recorded on the property stating that you will occupy the home for two years.
